SUMMER and WINTER

RUSSIAN LANGUAGE SCHOOLS

Russian language training includes the following levels:

- course for beginners (level A0, Elementary level A1, Basic level A2);
- course for those who continue (levels A2-B1).

The classes begin as soon as the groups are formed.

Our teachers are native speakers, highly qualified and experienced in working with foreign students from Asia, Africa and Europe.

The advantages of studying Russian in Belarus:

• Study the language in a Russian-speaking country

- Russian is one of the two official languages in Belarus, as well as the main language of communication;
- the Russian-speaking environment provides the best communication practice.

• Security

- Study the language in a secure country! According to the UN data, Belarus enjoys **one of the highest** security levels in the world. Feel completely safe while walking through the city at any time and never bother about your security!
